

← **625 East Fordham Road  
Bronx, NY**

This is a three phase project, with phases 1 and 2 to include parking, retail and ambulatory surgery and phase 3 to include an 18 story residential tower. Ownership is proposing to include a high end restaurant at the top of the residential tower due to spectacular views of the Bronx Zoo and the Bronx Botanical Gardens.

**Doshi MRI Imaging Centers**

MEP design for various locations in New York:  
130 West 79th Street, New York, NY; 9 Bond Street, Brooklyn, NY; 80-02 Kew Gardens Road, Kew Gardens, NY, 1184 Broadway, Hewlett, NY.

← **Foundling Hospital  
Staten Island, NY**

A 5 story 25,000 sf facility that provides comprehensive community based preventive and residential services to at-risk children. Named Stephen's House after Stephen Siller who perished on 9/11.

**Architect:** Breger Bermel
