← **Meadowlands Xanadu
Meadowlands, NJ**

Rising at the Meadowlands Sports Complex in Northern New Jersey—one of the most dynamic and affluent regions of the country—this 4.8 million sf entertainment destination will offer visitors of all ages a broad array of engaging experiences, including interactive entertainment venues, fine dining, outdoor amusements, runway fashion shows and its main attraction—America's first Snow Dome for indoor skiing. Meadowlands Xanadu will also offer a luxury hotel and Class A office buildings. GEA is involved in the retail areas of this complex by providing vanilla box design services and full fitout services for various retailers.
